About This Game

Christmas Adventure: Candy Storm – is a funny Christmas Hidden Object game with puzzles and mini-games of varying difficulty.

Lisa's grandfather, Santa Claus, has asked for her help delivering Christmas presents to a remote town. Trying to shorten her way, she drives through an old forest when suddenly her car turns into candies!! Moreover, everything around is scattered with candies and covered with other sweets! Help Lisa investigate what's happened and help fix her car so she can make it to town in time to save Christmas!

Mouse
Gnome

HINT

A really fun hidden object game with lots of puzzles, a bit short, but for the price it is ok.
Merry Christmas to everyone!. This was a fun Hidden Object Game with a Christmas theme. I played it during the Christmas season, which made it more fun. The scenes are bright and colorful, perfect for the holidays. I got all 23 achievements, and I don't remember them as being hard to get. It's also very cheap, so it's perfect if you only have a couple of dollars left to spend. I recommend this game.. I did love this game so much I want to support it by giving it a thumbs up.
It's a short,simple but very nicely made game.If you are a fan of HOG's then you must play it.

If you don't like HOG's then..... TRY IT at least :)

If you never played HOG's before..... PLAY IT.

If you like Christmas..... PLAY IT!!!

If you like don't like Christmas.....uh.....well then ok move on,this isn't your game.

Jokes aside;

1.99 euro game and 2h gameplay.
