**Shortcut**

- 

**Rollback System**  
Instantly restore your workstation to any snapshot. Within seconds, your system will be back to a previous state - RollBack Rx Professional is just like your very own time machine for your PC!
- 

**New Snapshot**  
A snapshot is complete system state. By taking a new snapshot you will have the ability to go back to this exact point in time. Taking a snapshot takes seconds and uses very little disk space. So take as many snapshot as you like!
